- Transition
- Questions

Disclaimer: This presentation is a product of the Centre of Excellence for Operations in Confined and Shallow Waters (COE CSW). It is produced for specific information with regard to the COE CSW Programme of Work. It does not represent the opinions or policies of NATO and is designed to provide an independent analysis, opinion and position.
What is MNE 7?

• The MNE 7 campaign was initiated in Helsinki, Finland in January 2011

• MNE 7 is a two-year, multinational and interagency concept development and experimentation (CD&E) effort to improve coalition capabilities to ensure access to, and freedom of action within, the Global Commons domains (Air, Maritime, Space and Cyberspace).
Outcomes / Objectives / Participants

- **Participants:**
  - Co-Leads: DEU and USA
  - Contributors: DNK, FIN, GBR, ITA, NOR, POL, ROK, SWE
  - Major Supporting Organizations: **COE CSW, CJOS COE**

- **Objective:** Develop a framework for the establishment of comprehensive regional and inter-regional maritime security regimes (MSR) in order to ensure access to and freedom of action within the Maritime Global Commons Domain.”

- **Outcome:** “An improved ability to build and/or enhance maritime security regimes in order to ensure access to and freedom of action within the Maritime Global Commons Domain”
