## Executive Description

Organisation of Maritime Security Round Tables and support to the Arctic Security Series within the Munich Security Conference (MSC) framework.

## Purpose

COE CSW organised the Maritime Security Roundtable (MSR) side event during the Munich Security Conferences in FEB 2018 for the first time. In FEB 2019 as well in FEB 2020 and in 2022 COE CSW continued to present critical strategic aspects connected with maritime security.

The COE CSW support to the Arctic Security Roundtable (ASR) in Munich, on the sidelines of the Munich Security Conference, is the annual highlight of the cooperation between the COE CSW and the MSC on Arctic Affairs. It highlights the importance of this vulnerable region.
